1. License Key Activation

After you install the Houseplan 1.0 and execute the software, it prompts you to choose Activate or Trial.

If you want to try Houseplan 1.0, just select Trial to get a 30-day trial of the software. During the trial period, the product performs as fully activated.

If you already have a valid license key, you can activate the software directly by selecting Activate to open Houseplan 1.0 License Manager.

2. Standalone License Key

You need a valid standalone license key (serial number e.g. B05E-E707-6D01-0100-24EC-282B-5914-0400) to activate your Houseplan 1.0.

There are two methods provides in License key tab.

Online Activation: Activate license online

Manual Activation: Activate license manually

2.1. Online Activation

Instruction: Make sure your computer is connected to the internet.

Click Online Activation (O).

The screenshot shows the 'Houseplan License Manager' interface. On the left, a dark sidebar contains three menu items: 'License Information', 'License Key (L)', and 'Return License(R)'. The 'License Key (L)' item is highlighted with a red box. The main content area has two tabs: 'Online Activation(O)' and 'Manual Activation(M)'. The 'Online Activation(O)' tab is selected and highlighted with a red box. Below the tabs, there is instructional text: 'If there is a license of higher version existing please **ACTIVATE** it directly. For a new activation, please input the license key and click Activate button.' Below this text is a text input field labeled 'License Key' which is currently empty. At the bottom right of the main content area, there is a dark 'Activate' button.

1. Input your License Key (serial number) and click the "Activate" button

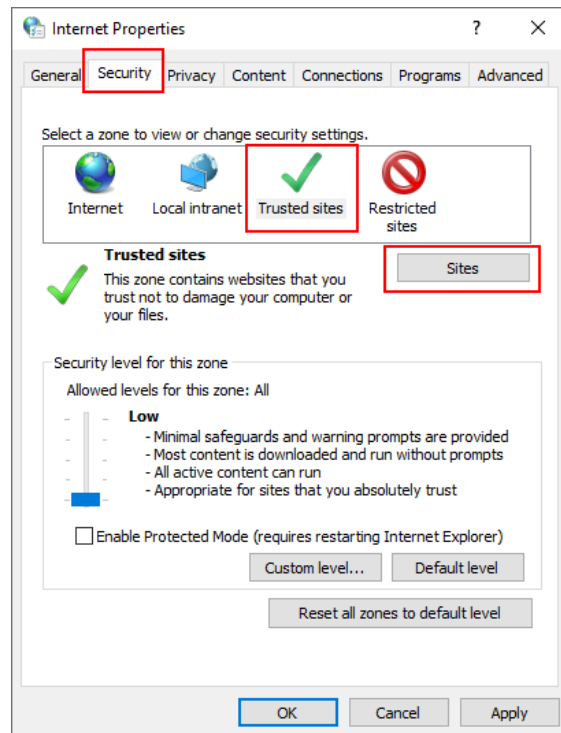

This screenshot shows the same 'Houseplan License Manager' interface as the previous one. The 'License Key (L)' menu item is still highlighted. The 'License Key' input field now contains the serial number '775E-E807-6D01-0100-B222-596E-7709-0400'. The 'Activate' button at the bottom right is now highlighted with a red box.

2. After a few seconds the following message appears. Click “OK” button to finish the activation. Then restart your Houseplan 1.0.

Note: For Windows Server operation system, if it prompts "Session does not exist" when activate or return Houseplan 1.0 standalone license online via Houseplan 1.0 License Manager, please check the following solution:

1. Open Internet Explorer (IE) and select Internet Options and then click Trusted sites from Security tab.
 2. Add the following two sites to the trusted sites.
<http://www.gisroad.com>
 3. Click “OK” button to save the security settings.
- Then you can activate or return Houseplan 1.0 standalone license online normally.

2.2. Manual Activation

Instruction: If your computer is not connected to the internet, you can use activation file (xml file) to activate your Houseplan 1.0 manually.

1. Click Manual Activation (M).

The screenshot shows the 'Houseplan License Manager' interface. On the left sidebar, 'License Key (L)' is highlighted with a red box. At the top, 'Manual Activation(M)' is selected with a red box. The main content area contains instructions for manual activation and a form for entering a license key.
